319 E . 8th

Big Timber, Montana

\$200,000.

This tri-level home is 2,800 sq. ft. with 4 bedrooms and 2 baths. The home has gas hot water heat and 2 a/c units. The boiler was new in 2000, a water heater was installed in 2003 and the kitchen was remodeled in 2003 with new carpet and paint. The back deck was added in 2007. There is an attached 576 sq. ft., 2 car garage, and a 24' x 24', detached shop, all on 3 corner lots, 12,600 sq. ft. There is a well on the property for irrigation purposes only. It is shared with the neighbor to the south. This is a great home ready to move into with a great location, only 1 block from the city park and 3 blocks from the grade school.
